## FEE SCHEDULE FOR PROCESSING REQUESTS FOR MAP CHANGES

This notice contains the fee schedule for processing certain types of requests for changes to National Flood Insurance Program (NFIP) maps. The fee schedule allows FEMA to further reduce the expenses to the NFIP by more fully recovering the costs associated with processing conditional and final map change requests. The fee schedule for map changes is effective for all requests dated January 13, 2010, or later and supersedes the fee schedule that was established on October 1, 2007.

To develop the fee schedule for conditional and final map change requests, FEMA evaluated the actual costs of reviewing and processing requests for Conditional Letters of Map Amendment (CLOMAs), Conditional Letters of Map Revision – Based on Fill (CLOMR-Fs), Conditional Letters of Map Revision (CLOMRs), Letters of Map Revision – Based on Fill (LOMR-Fs), and Letters of Map Revision (LOMRs).

Based on our review of actual cost data for Fiscal Years 2007 and 2008, FEMA has maintained the following review and processing fees, which are to be submitted with all requests that are not otherwise exempted under 44 CFR 72.5.

### Fee Schedule for Requests for CLOMAs, CLOMR-Fs, and LOMR-Fs

Request for single-lot/single-structure CLOMA and CLOMR-F .....	\$500
Request for single-lot/single structure LOMR-F .....	\$425
Request for single-lot/single-structure LOMR-F based on as-built information (CLOMR-F previously issued by FEMA).....	\$325
Request for multiple-lot/multiple-structure CLOMA.....	\$700
Request for multiple-lot/multiple-structure CLOMR-F and LOMR-F.....	\$800
Request for multiple-lot/multiple-structure LOMR-F based on as-built information (CLOMR-F previously issued by FEMA).....	\$700

Based on our review of actual cost data for Fiscal Years 2005 and 2006, FEMA has established the following review and processing fees, which are to be submitted with all requests that are not otherwise exempted.

### Fee Schedule for Requests for CLOMRs

Request based on new hydrology, bridge, culvert, channel, or combination of any of these .....	\$4,400
Request based on levee, berm, or other structural measure.....	\$6,050

### Fee Schedule for Requests for Map Revisions

Requesters must submit the review and processing fees shown below with requests for LOMRs that are not based on structural measures or alluvial fans.

Request based on bridge, culvert, channel, or combination of these .....	\$5,300
Request based on levee, berm, or other structural measure .....	\$7,150
Request based on as-built information submitted as follow-up to CLOMR.....	\$5,000

### Fees for CLOMRs, LOMRs, and PMRs Based on Structural Measures on Alluvial Fans

FEMA has maintained the initial fee for requests for CLOMRs and LOMRs based on structural measures on alluvial fans to \$5,600. FEMA will also continue to recover the remainder of the review and processing costs by invoicing the requester before issuing a determination letter, consistent with current practice. The prevailing private-sector labor rate charged to FEMA (\$60 per hour) will be used to calculate the total reimbursable fees.

### Payment Submission Requirements

Requesters must make fee payments for non-exempt requests before we render services. This payment must be in the form of a check or money order or by credit card payment. Please make all checks and money orders in U.S. funds payable to the *National Flood Insurance Program*. FEMA will deposit all fees collected to the National Flood Insurance Fund, which is the source of funding for providing these services. Please mail all payments to the LOMC Clearinghouse, 6730 Santa Barbara Court, Elkridge, MD 21075. Payments associated with LOMRs and CLOMRs submitted to LOMR Delegation Partners should be mailed directly to the LOMR Delegation Partner.
